## **Castlevania: Lords of Shadow 2 – Characters Revealed**

*KONAMI unveils new trailer depicting key cast from the epic 'Lords of Shadow' conclusion*

Konami Digital Entertainment B.V. has released a new trailer showcasing key characters in its forthcoming **Castlevania: Lords of Shadow 2** title.

**Castlevania: Lords of Shadow 2** is released for PlayStation®3, Xbox 360® and Windows PC on February 27<sup>th</sup>, and acts as a shocking conclusion to the Gabriel story arc. Following the infamous revelation where Gabriel was revealed to be the legendary Dracula at the end of the first game, the new game finds the weakened vampire stranded in modern times, whereupon an old ally proposes a deal that could offer him freedom from his eternal existence...

The new 150-second trailer uses footage from the game to introduce a range of key characters and adversaries from the new instalment including; **Dracula**, once Gabriel, a member of the Brotherhood of Light who fought to avenge the death of his beloved wife Marie, but fate got the better of him, transforming him into Dracula – the most feared of all vampires. Also returning is **Zobek**, one of the founders of the Brotherhood of Light, who is, in reality, one of the evil Lords of Shadow who betrayed Gabriel and all of humanity. Additionally, Carmilla, Marie and Satan himself make a return, with many new characters introduced.

This new trailer also showcases some previously unseen locations and environments in addition to the wealth of characters.
