

Free Cyborg Ninja with every copy of METAL GEAR RISING: REVENGEANCE!

Konami Digital Entertainment GmbH has announced a free DLC pack that will accompany European versions of its METAL GEAR RISING: REVENGEANCE title for PlayStation(R)3 and Xbox 360(R).

The game will be released on February 21st, and KONAMI has announced that every copy will include a free DLC code to unlock a custom Cyborg Ninja body for use in the game. Based on the design of the hugely popular character Gray Fox from the original METAL GEAR SOLID, the Cyborg Ninja DLC not only allows users to assume the guise of the popular character, but it also allows them to use and upgrade his powerful FOX BLADE within METAL GEAR RISING: REVENGEANCE.
